

Technical drawing of a roof truss (Dachstuhl) showing dimensions. The truss is symmetrical with a central horizontal beam of length 9.45. The left side has a vertical height of 3.86, a sloped side of 4.00, and a horizontal base of 4.25. The right side has a vertical height of 2.41, a sloped side of 4.00, and a horizontal base of 4.25. The peak is 1.52 above the horizontal beam. The total width is 9.45.

Technical drawing of a U-shaped profile with the following dimensions:

- Overall width: 5.40
- Overall height: 1.76
- Top flange thickness: 0.05
- Web thickness: 0.94
- Radius of the bottom curve: 0.83
- Distance from the inner vertical face of the web to the start of the curve: 0.50
- Distance from the end of the curve to the inner vertical face of the web: 0.50
- Distance from the outer vertical face of the web to the start of the curve: 5.30
- Distance from the end of the curve to the outer vertical face of the web: 5.30
- Distance from the start of the curve to the end of the curve: 4.41
- Distance from the start of the curve to the center of the curve: 4.75

Technical drawing of a roof plan showing dimensions for a gabled roof structure. The drawing includes the following dimensions:

- Overall width: 8.62
- Left side slope length: 7.95
- Right side slope length: 2.07
- Horizontal distance from left wall to peak: 2.13
- Horizontal distance from peak to right wall: 4.93
- Left wall height: 0.75
- Right wall height: 0.61
- Horizontal distance from left wall to vertical line: 7.50
- Horizontal distance from vertical line to right wall: 8.62
- Vertical distance from left wall to vertical line: 2.37
- Vertical distance from vertical line to right wall: 0.97
- Horizontal distance from left wall to vertical line (lower section): 7.86
- Horizontal distance from vertical line to right wall (lower section): 8.62
- Vertical distance from left wall to vertical line (lower section): 2.37
- Vertical distance from vertical line to right wall (lower section): 0.97

Diagram of a vertical rectangular structure with dimensions 5.82 and 17. The structure is labeled "CORTE" and "ESC: 1/35". A small figure of a person is shown at the bottom right for scale.

Technical drawing of a rectangular plaque with dimensions and text. The overall dimensions are 5.82 (height) and 4.40 (width). The text is centered and reads: CENTRO ARTÍSTICO E CULTURAL MISSIONEIRO. The drawing includes various dimension lines and values: 4.2 (left margin), 3.56 (top text width), 1.90 (top margin), 4.1 (right margin), 5.3 (text height), 3.8 (text height), 1.56 (left margin), 1.28 (cross width), 1.56 (right margin), 2.20 (cross height), 4.0 (bottom margin), and 4.40 (bottom width).
